## Foreword by the Director

Greetings to all the parents who wish “Ideal World” for their child/children.

My Name is Agnes Kapoor (Ms. Mary) I always wanted to become a Teacher and contribute towards Learning & Development of children.

I achieved my goal in the year 2004 when I joined the Montessori Children’s House, later followed by a great experience at the Learning Unlimited Preparatory School. Since then there has been no looking back! The Journey continues now with the 3<sup>rd</sup> successful year of IDEAL Pre-School where we aim to make a difference in each child’s life! Together we can foster a learning experience that will encourage Individuality and Creativity. I welcome you all to come and experience our IDEAL world!

## IDEAL Philosophy

“The Ideal Pre-School believes that every child needs an opportunity to explore and experience a variety of activities; to discover the joy of I AM; I CAN. Children are free to select materials and activities that are designed by knowledgeable and skilled teachers within an environment that encourages discovery and problem solving. Each child will be viewed as a unique individual and experience will be planned to meet each child’s needs.”
